Sir :

**STATUS INQUIRY**

A Filing Receipt has not been received for this application.

I submitted by courier the above-noted national phase entry application on Jan.10/2005, and received a return postcard (copy enclosed) by mail with the above-noted filing date and serial number stamped thereon. However, neither a Filing Receipt nor any other communication has not been received from the USPTO since that time. I note that the submitted fee of US\$540 (\$500 for filing and \$40 for assignment recordal) was charged by the USPTO to my Visa card on Jan.14/2005. Assignment recordal has also not been received. I have not found any information about this application on Private PAIR.

Please confirm the status of the application, and a Filing Receipt is requested.

Respectfully submitted,

Thomas E. Malyszko (Reg. no. 39,466 ; Customer no. 26,109)
